Subject : Concurrence with U.S. Navy letter 5090 Ser 1832.3/L6017 (DTSC/DHS document #167)

The Department of Health Services' (DHS) has reviewed the subject letter as well as a letter dated July 28, 1995 signed by Donald Cool of the Nuclear Regulatory Commission. Based on the information contained in these letters, DHS agrees that no further investigation is needed for Buildings 113, 113A, 114, and 146. These comments are in support of the Interagency Agreement between the DTSC and DHS.

If you have any questions concerning these comments, or if you need additional information, please contact me at (916) 324-2209.
